

# IT'S TIME TO BUILD

St. Mary of Sorrows Capital Campaign

## Campaign/ New Church Update May 1, 2018

### Financial Update:

*Look for updated thermometers!!!*

As of May 1, 2018 we have over \$3.8 million in pledges and close to 900 families that have committed to the campaign. Since the beginning of the campaign September 1, 2017, we have received over \$1.3 million in campaign contributions. We still have people pledging money for the new church. So, it is not too late to make a pledge and join in on the excitement. Every contribution helps us with our goal. BUT, regardless of our goal completion, we are moving forward with plans for the new church.

### General Update:

*Join the fun...guess the date we will be awarded the SITE PLAN PERMIT and you can win a shovel that you can use in our Groundbreaking Ceremony!*

The County of Fairfax continues to work on the information we have gathered for the Site Plan Permit, which, once awarded, allows us to mobilize and do some digging. Our architects are working on the Construction Documents so as to allow us to establish a firm construction cost and apply for the BUILDING PERMIT! We will begin mobilization before the building permit is issued so we can move from mobilization to construction!
