St. Mary of Sorrows Capital Campaign

# Campaign Update

February 11, 2018

## **Campaign News:**

Our site plan was submitted to the County of Fairfax in July, 2017 and is currently under review. Our architect and civil engineer, along with the Diocese, are working diligently to ensure our ultimate award of a site plan permit. Once the permit is obtained, we are on our way towards building the new church! We will be mobilizing the site, which means...trailers, fencing, equipment for digging...the start of it all!

## **Financial Update:**

We have 858 families that have responded to the campaign. We have over \$3,600,000 in pledges and have received over \$1,000,000 in contributions for the campaign.

We have sent out over 700 letters to people who have supported the building of a new church but have not responded to the campaign.

We have had an amazing outpouring of support for the new church through past and current fundraising and the energy the campaign has generated for the new church.

Thank you for your generosity and we are almost there!!
